# Botley

Botley introduces coding in an easy, friendly way for children as young as 5 with advanced features that the children can tap into as their skill grows.

Botley does not require a phone or tablet, children interact with the robot using coding cards, a remote control and obstacles, programmed to follow looping commands and use if/then logic.

<b>Recommended Ages</b>	Prep to Year 3 (ages 5 to 8)
<b>Product Cost</b>	\$100 per unit
<b>Where to Purchase</b>	Botley can be purchased from <a href="#">Funtastic</a>

## Loanable Kits

State Library does not have kits of this item available for loan to libraries.
