

Cue

SLQ Wiki Fabrication Lab 2025/07/13 17:32

Cue

A progression from [Dash & Dot](#), Cue includes emotive AI systems, improved sensors, upgraded processors and advanced Bluetooth capabilities.

With the ability to create reactive behaviors using sensors and movements using block coding or JavaScript, it is robotics at the next level

Recommended Ages	Year 5 to Year 9 (ages 10 to 14)
Product Cost	\$400 per unit
Where to Purchase	Cue can be purchased from Little Bird Electronics or Modern Teaching Aids

Loanable Kits

State Library has kits of this item available for loan to libraries within the Regional Libraries Queensland and Indigenous Knowledge Centres network. Libraries can place a reservation through the Aurora catalogue (availability is subject to existing reservations, loans and associated return dates).

The kits are for use by patrons within the library only, as part of supervised library programming. They will not be listed in the public online catalogue for personal reservation.

Please contact [Access Services](#), or phone 07 3842 9014 with any queries.
