

Hummingbird Kit

SLQ Wiki Fabrication Lab 2025/07/07 00:53

Hummingbird Kit

Hummingbird kits enable children to create and engineer robots, sculptures and animatronics using a combination of kit parts and craft materials.

Combined with programming environments such as Scratch and using LEDs and sensors, it allows the creation of interactive robots and displays.

Recommended Ages	Year 8+ (ages 13+)
Product Cost	Kits start at \$300 Individual components start at \$10
Where to Purchase	Botley can be purchased from Education Technology Specialists

Loanable Kits

State Library does not have kits of this item available for loan to libraries.
