# LEGO Spike

LEGO Spike is a junior version of the LEGO MindStorms kit, allowing children to learn the construction and coding of simple challenges to complex problems.

Similar to LEGO MindStorms, the kit contains motors and sensors and hundreds of LEGO pieces to build whatever you can imagine.

<b>Recommended Ages</b>	Year 4+ (ages 10+)
<b>Product Cost</b>	Core Set \$600
<b>Where to Purchase</b>	Can be purchased from larger toy/educational stores or <a href="#">Modern Teaching Aids</a>

## Product Requirements

## Loanable Kits

State Library does not have kits of this item available for loan to libraries.

## Resources

### Replacement Parts

Replacement parts can be ordered directly from LEGO at <http://service.lego.com/en-us/replacementparts>. You will require either the LEGO set number or the individual LEGO brick part number.

LEGO Set numbers can be found on the original LEGO box while brick part numbers are embossed on each brick. You can also use the website <http://bricklink.com/> to search for set/part numbers.
