LEGO Spike

LEGO Spike

LEGO Spike is a junior version of the LEGO MindStorms kit, allowing children to learn the construction and coding of simple challenges to complex problems.

Similar to LEGO MindStorms, the kit contains motors and sensors and hundreds of LEGO pieces to build whatever you can imagine.

Replacement Parts

Replacement parts can be ordered directly from LEGO at http://service.lego.com/en-us/replacementparts. You will require either the LEGO set number or the individual LEGO brick part number.

LEGO Set numbers can be found on the original LEGO box while brick part numbers are embossed on each brick. You can also use the website http://bricklink.com/ to search for set/part numbers.
