

Roli

SLQ Wiki Fabrication Lab 2024/09/27 13:44

Roli

The Roli music creation kit is a portable music powerhouse.

The Seaboard block is the 21st century digital keyboard, which snaps together with the Lightpad Block M touchpad and the Loop block. This instant music studio interfaces directly with the Noise app on your digital device to let the creativity flow.

Use the “Making music course for Roli” app on the enclosed tablet to get fully acquainted with Roli.

Recommended Ages	8-adult
Product Cost	\$3100
Where to Purchase	Roli components and kits can be purchased from Macgear

Loanable Kits

State Library has kits of this item available for loan to libraries within the Regional Libraries Queensland and Indigenous Knowledge Centres network. Libraries can place a reservation through the Aurora catalogue (availability is subject to existing reservations, loans and associated return dates).

The kits are for use by patrons within the library only, as part of supervised library programming. They will not be listed in the public online catalogue for personal reservation.

Please contact [Access Services](#), or phone 07 3842 9014 with any queries.
