# Turing Tumble

Turing Tumble is a new type of game where players build mechanical computers powered by marbles to solve logic puzzles. Use ramps, crossovers, bits, interceptors, gears, and gear bits to build marble-powered computers that can generate patterns, do logic, count, add, subtract, multiply, divide, and much, much more.

<b>Recommended Ages</b>	Year 3+ (ages 8+)
<b>Product Cost</b>	\$90-\$100
<b>Where to Purchase</b>	Turning Tumble can be purchased from their Australian distributor <a href="#">Core Electronics</a>

## Loanable Kits

State Library does not have kits of this item available for loan to libraries.
