**Device:** Laptop

Abeni and her husband Emeka moved to Australia from Ghana two years ago.

She doesn't speak very much English and is starting to feel a bit isolated. She can use her laptop a bit but doesn't feel confident with it.

*"I want to get more involved with the local community but I don't where to start. Emeka says improving my English would help. I'd like to get better at using my laptop, although I think it's getting a bit slow."*
