Inspiring people:

Age: 50

Digital skills: Can use a smartphone for phone calls

Device: Smartphone

Daryll worked in industry for 30 years but has recently been made redundant and is looking for work.

"I don't want to be learning how to use computers, but, apparently I've got to because jobs are all online these days. And now they want me to have an online account for Centrelink, too. It's stupid. I feel like I'm being forced online when it's not for me."
