FAQ - State Library Callout

Is there budget for materials?	Yes, funds are limited but there is small budget allocated for all sessions.
Is there central budget for overtime?	No, there's no overtime allocation in the Fun Palace budget but talk to your supervisor about getting overtime or TOIL approved out of your unit's budget.
What if I've never run a workshop or I don't have any ideas about what to run?	The Edge team have a long list of tried and tested workshops we could support you could run or we can assist you in developing an idea you have... get in touch for a chat.
How will you decide what activities are run on the day?	Once we have a list of everyone's ideas, Lone the Director of Community Connections will convene a process to select activities against a criteria. The criteria consider principles like whether the activity is Fun, hands on, family friendly, could tie into the collection or SLQ resources, accessible etc.
