

Activity Selection Criteria

SLQ Wiki Fabrication Lab 2026/05/31 23:15

Activity Selection Criteria

The following provides a criteria for selecting which activities we do and don't run at the event. As such this select provides us with a transparent process to account for the resources invested in the event and ensure that the program is in line with

State Library Strategic Plan

. In addition to the Strategic Plan, there is a further series of criteria that are informed by past fun palace events and The Edge programming practice.

[engagement:fun_palace_2018:program:selection table](#)

- FUN
