Deliveries

Activity Criteria

Learning Outcomes & Facilitator notes

During this session learn how to use the technology that is used to interview. Also, learn interviewing techniques.

Session Plan

1. 20min Explore the technology (camera, mic etc)
2. 10mins Unpack the questions and get the groups to put it into their words and come up with some more
3. 5 mins Decide on roles (could even have a dress up box for each role to wear something special)
4. 5mins Recruit people to interview
5. 5min Interview
6. 5min Recruit more people
7. 5mins interview
8. Wrap up

The questions

- How far do you travel to get here today? How did you get here?
- What discoveries have you made today?
- What kind of artist or scientist would you like to be?
- What are you going to do more of to make this dream come true?
