FUN PALACE 2018 Sci Fi writing workshop

Activity Details

Are you 10 to 15 years of age with a keen interest in writing? Then don't miss the opportunity to attend a special masterclass with a professional author as part of Fun Palace 2018 at State Library of Queensland.

Brian Falkner, best-selling international author of sci-fi and future tech books such as Brain Jack, The Tomorrow Code, and the Recon Team Angel series will give an exciting, informative and entertaining masterclass on writing about future technology and science fiction in general, including alternative history.

Come along to learn how to research technology and project that into the future to see where we are heading, and how we can predict the future through fiction.

This masterclass is presented by State Library of Queensland in collaboration with Book Links
