## 146. sky

### HERE LIES THE ENTRY FOR AN IMAGINED THING

This is a thing imagined by May, aged 9, on Thursday November 11

The full name of this thing is: sky

It can be found in: the sky

It is known that: sky used to be a normal whale in the ocean but got bullyed a lot because she was pink not the normal whale colours. One day she got beaten up really bad and ended up dead and shes a whale in the sky, now. Shes very shy and scared of other peopl because she thinks she will get hurt but give her a slight pat and you'll earn her trust, and be your guardian, protector.
