155. A planet Name: unknown

HERE LIES THE ENTRY FOR AN IMAGINED THING

This is a thing imagined by FARZANA, aged , on Wednesday November 17

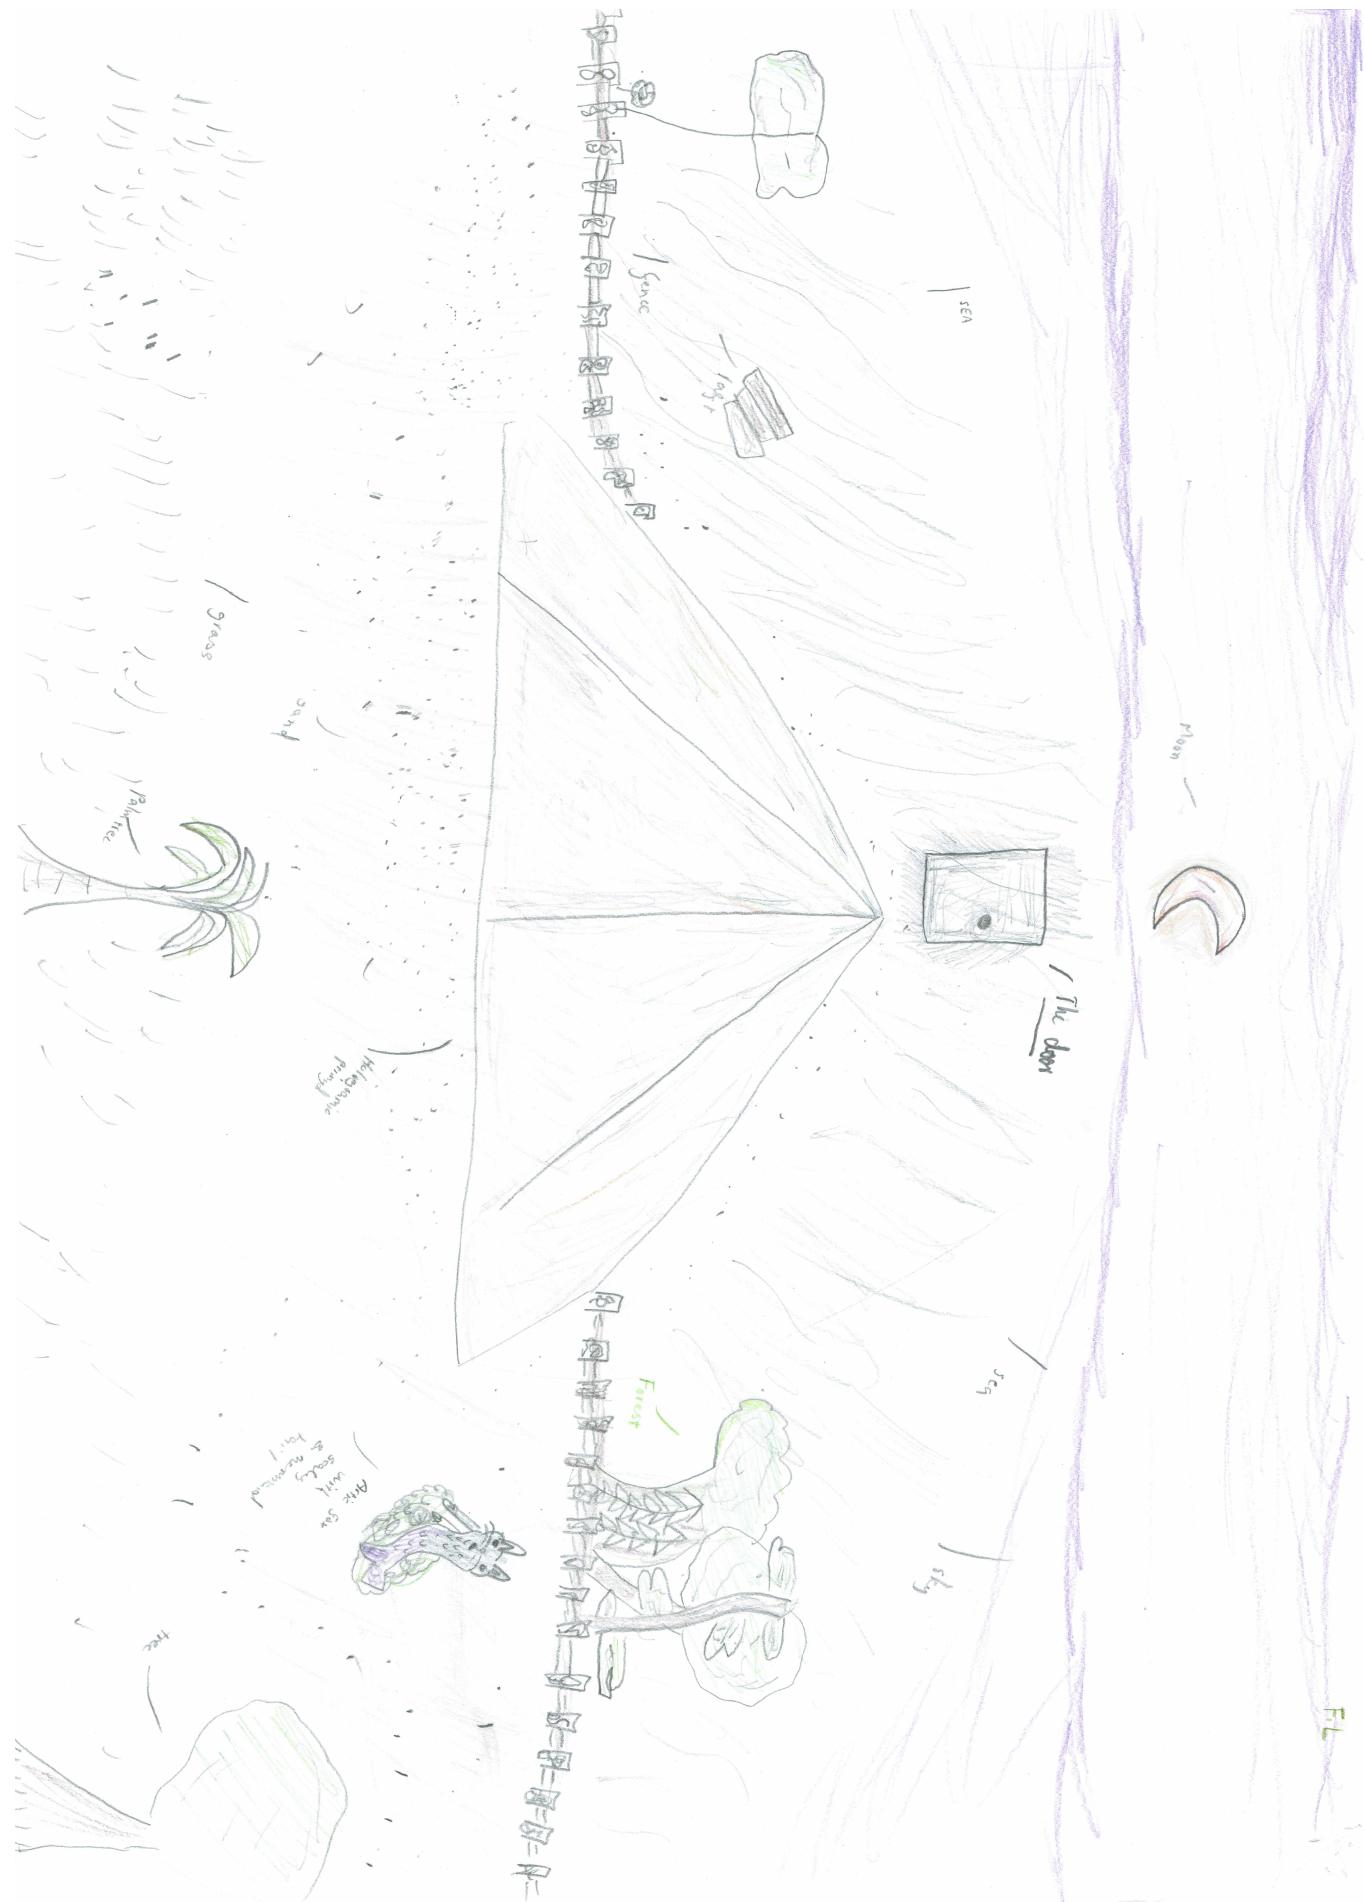

The full name of this thing is: A planet Name: unknown

It can be found in: Somewhere in space on a planet

It is known that: Once, the land was fully populated a city, a mania. But then there was a man and the town was left untouched for millions of yers. The building crumbled and the sea levels rose. Now that land is a beach.

This thing has three important features: holo-grame pyramid, Arctic fox X fish, and purple sky
