## 27. Sugar Candy

### HERE LIES THE ENTRY FOR AN IMAGINED THING

This is a thing imagined by Rashida, aged 11, on Tuesday May 11

The full name of this thing is: Sugar Candy

It can be found in: Cotten Candy World

It is known that: When it was a baby it was sad. I saw it. It was lonely and then I took it home. And I fed it sugar. It started running every where and I tried to catch it but it was too fast. The creature ran into a hole and didn't come out any more.

This thing has three important features: hypnotising eyes, looks like a creepy monster but nice, and sharp claws
