41. Crystal Warrior

HERE LIES THE ENTRY FOR AN IMAGINED THING

This is a thing imagined by Shahram, aged 11, on Tuesday May 11

The full name of this thing is: crystal warrior

It can be found in: its from a place just underground where other crystal monsters are.

It is known that: when it was born he didn't want to be a normal crystal monster. He wanted to be a warrior and he did. But the one thing he needed was an owner for him. He was looking for a companion. Then he found one person, and that is me.

This thing has three important features: He shoots crystal to protect his arm. , He is some sort of fury monster but he is not. , and He has orange around him to protect him from getting hurt.
