76. Trevis 2.0

HERE LIES THE ENTRY FOR AN IMAGINED THING

This is a thing imagined by Seanna, aged , on Thursday July 8

The full name of this thing is: Trevis 2.0

It can be found in: NA

It is known that: My creature was originally designed by humans as an AI, used as an all-terrain transport vehicle. However it has begun to think for itself and has developed into a creature which lives in jungle like environments and acts just like other animals.

This thing has three important features: Wings, Gears (mechanical insides), and Hand/feet
