

A teal-colored background featuring a repeating pattern of faint, white line-art icons representing various tools and objects. These include hammers, wrenches, screwdrivers, paintbrushes, a camera, a smartphone with an Apple logo, a book, a pencil, and other mechanical components. The icons are scattered across the entire surface.

HERE LIES THE ENTRY FOR A DESIGNED THING

Full Name:	Charlotte
Provide the link or name of the Imagined Thing from The Well you are responding to?:	@@Provide the link to the Imagined Thing from The Well you are responding to?@@
What is different about your idea from the original Imagined Thing?:	The monster that was using the top hat as a disguise took a physical form of a horseshoe crab with really long legs.
What is similar or inspired by the Imagined Thing:	The top hat that is disguised as a cake
Provide a brief update on your progress:	It wasn't chosen as the design so the design wasn't persued after a prototype
What new thing did you learn as part of the process:	Spheres are really hard to make out of cardboard
