Back half is unclear - could be half-normal half breast
 creature - back half very clean & fine skin
 would be interpreted as somewhat aspects of a
 Swedish winter - his back half is made of snow crystals

No Name solitary forgotten till name
 introduced to people on his own looking
 not a good thing to be on your own
 long

Back half error
 with
 about the second
 says something

Oh! Back half
 Normal to leave
 Very dt shows that some
 had to come from

Very dt ?
 ?

Back of him
 side of ice crystals
 that when the back is dropped
 It does not look that is important

Back
 estimates possibly not required
 any more
 May-??

Back
 under eyes
 many - not sure

Back
 well formed from hard work
 big muscles for going up mountain
 not purposeful

Back
 Good
 to be alive without anyone
 is it but they are important

Expression
 what his name → identity
 where he came from
 what will happen if he someone from

Names - feelings - mistakes what more

Some people feed off other people
 and we become scared of them if
 they get forced away to live in the cold
 wilderness

Feeling - no love, alone, country (leave someone?)
 perhaps abandoned - didn't he have a wife
 - he's unloved, angry, quite depressed, much regret, - picture
 - felt a void in himself with the pathfulness & delight some
 children have

name - was at times heavy - not heavy - alone - someone's name;
 reflective and hopeful as he has memories of people surrounding
 happy, perfect youth - recalling a joyful boy/girl/love/girl
 original character who felt like a very little one that joyful
 childhood existence was snatched away → no more recall
 how heavy it was that
