

Documenting what The Edge does:

SLQ Wiki Fabrication Lab 2026/01/18 16:21

[internal](#)

Documenting what The Edge does:

1. How The Edge attracts individuals (be the watering hole) (21st century access to wifi, spaces to gather, accessible programs)
2. How to create a community (like-minded people do something together)
3. How to engage a whole community (bigger programming to bring individuals together)
4. Cross pollinate (bring different communities together)
