Join us to sing, dance and celebrate the Great & Grand Rumpus!

You are invited to the Great and Grand Rumpus Community Day on Saturday July 14 where we will celebrate the work of the children, young people, designers, fabricators and artists that have brought this story world to life.

To get ready for the rumpus you can also join our artworks at The Edge between 10am and 3pm every day this week with pop-up sessions of creative craft to make masks, costumes and everything needed for the rumpus to begin.
