Moon

Diadactic

Idea came from and the process for this idea:

[IDEAS BRIEF 2: Flying Apple Men; Red Ants from Pluto; Snot Blurping Monster; Moon Swing; Troll Fairy](#)

Designed by:

David designed the moon during a design session. The main moon structure was then cut on the CNC by Gregory. The moon wrap and craters was then cut out and made by young newly arrived migrants that came in with assistance from QPASTT.

Made by:

George, Neil, Jennifer, Kasey and Young people from QPASTT.

Story #9752 The Moon

Hello down there! It's me (up here). Yes me, the moon. I love to swing and spin and orbit. I love to float high up in the sky. What happens up here, you'd like to know? A big moon dance party. That's what.

Idea by Summer (5) Designed by David. Made by George, Markus, Jennifer and Kasey.
