SUB-PROJECT PROGRESS MATRIX

This table serves as a central hub to track the progress of sub projects (each of the design concepts chosen) within the greater GGR project. Via this table you can access subprojects in this table it links to

- Design brief
- Proof of concepts, practical design notes, Scale drawings
- Maquette files and photos
- Digital fabrication files and assembly notes
- Photos of the process
- The narratives that became the storytags on each work in the installation

Rumpus Idea	Design Brief	Digital Fab Design	Assembly notes	Design Files
Shark - Week 1 Brief				
Sharkguts (tunnel)	This is a decoration job that staff will probably handle			
Jellyfish - Week 1 Brief				
Applehead Flying Costume - Week 2 Brief				
Red Ant Helmet - Week 2 Brief				
Moon - Week 2 Brief
