**Aim/ Key learnings:**

**Age group:** 5-10yrs

**Method:** Family group workshop

**Ratio Participant/Facilitator:** 3 artists to 5 family groups of 5

**Duration:** 90 mins

**Materials required:**

**Preparation required:**

**Aim of workshop:**

**Facilitators:**

**Is a feedback form required?:**

**Marketing and communications tools:**

**Venue Requirements:**

**Is a media release form required?**

## Activity Details

10.30 min

- Welcome and name tags - come up with a team name
- We collect names and email addresses of the families participating

10.35 min

- What are we are doing today? 'We have run out of ideas and we need your help to come up with some more.'

10.40

- Group story game led by Marianna

11.00

- Drawing challenge (these are interchangeable)
- Draw something from the story
- Draw who or what you would invite to a party
- Draw your perfect place for a party.

11.15

- Continue the drawing into crafting a model
- Introduce the idea of the ideas machine (blue blocks)
- How does the craft interact with the space created by the blocks?

11.30

- Sue starts to document the ideas that have come about.
- Other artists ask the participants to reflect on what they have made and inform the documentation.

11.45

- Break out play is winding up
- Final group reflections
- Any group activity that might create a party

11.55

- Clean up

## **Imagine the rumpus REFLECTION document template**

**Title and facilitator/s:****Attendants and ages:****Aim of Workshop:****Inspiring quotes from young people:****Stand out ideas or outcomes:****1st workshop:****2nd workshop:****Things to consider next workshop:****Specific outcomes required in the next workshop:****Are there completed media release forms? No**

**Are there completed feedback forms? No**

**What was challenging and how was this handled?**

**To run this exact workshop again, how would I do it differently?**
