

Multicam CNC

SLQ Wiki Fabrication Lab 2026/06/13 12:48

~~REVEAL~~

Multicam CNC

This information is for use of Fabrication Lab Multicam CNC.

Requirement

- Complete induction and relevant paperwork
- Make a booking via <https://slqpub.libcal.com/booking/cncmulticam>

Booking Session Length

Maximum of two (2) hours.

Maximum Number of Bookings per Session

NA

Cancellations

- Customers can manage own bookings on website.
- Email and phone cancellations should be passed on to Fabrication Lab Supervisor

Late arrival

- If customer is late for a booked session we ask them to let us know when they will be arriving.
- If we do not hear within 30 mins of the start time, their booking may be cancelled to allow others to use the facility.

How flexible are we willing to be?

- Customers can always use materials purchased/supplied by The Edge.
- Customers can supply materials, but need to provide a sample of material for testing purposes prior to approval.
- Customers seeking to use the Facility for more than the listed maximum weekly booking limits can apply to The Edge Lead to seek extended access.
- Applications for extended access should be submitted in writing 14 days in advance of first booking via appliedcreativity@slq.qld.gov.au .
