Responsibilities and Terms of Use

Eligibility: Production PC 1 is available for booking by approved users with a valid SLQ membership who have completed a general induction at The Edge.

Age Requirements: Users aged 16+ may book and use the equipment independently. Users under 16 may use the equipment only with parent/guardian permission.

Safe Usage: All users must adhere to the Safe Operating Procedures and SLQ policies. These can be reviewed at SLQ Policies and Guidelines.

Reporting Issues: Report any technical or hardware issues to staff immediately.

Care of Equipment: Users must take due care of the equipment and monitor against theft, loss, or

damage. Any unavoidable loss or damage must be reported to SLQ staff immediately. Any devices identified as missing may be rendered inoperable using tracked serial numbers.

Modifications: No modifications to any part of the equipment are permitted.

By following this guide, you'll be well-equipped to make the most out of Production PC 1 for your creative projects at The Edge. If you need further assistance, feel free to ask The Edge staff for help.
