101 - Make your own Merch

Acknowledgement

We acknowledge Aboriginal and Torres Strait Islander peoples and their continuing connection to land and as custodians of stories for millennia. We respectfully acknowledge the land on which we all meet today, and pay our respects to elders past, present and emerging.

Summary

Learn how to use a sublimation printer and heat press to create your very own merchandise to take home. You'll pick up some basic design skills as you choose between a range of designs and collage them together to create your own finished piece. You'll be able to create both a T-shirt and tote bag to take home.

Tools

- Digital Media Lab Computers
- Meeting Tables for printing station
- Laptop for printer operation
- Sublimation printer
- Blank transfer paper
- Heat press
- T-shirts and totes for participants
- Pre-designed assets (for digital collage) and finished designs (for those who want to use existing)
