3D printer Induction

Induction presentation

Our Inductions have been created as slide shows for presentation and documentation purposes. Please feel free to download and use the guide and files as per our CC license in the footnote.

Some pages may link to other online workshops, tutorials or guides created at The Edge, you may require the internet to connect and view links.

[Induction Powerpoint - Admin View](#)

Booking

Once you have completed an induction you can book a printer to use for your projects during Open Lan hours

[Book now](#)

Have not done the induction yet? keep up to date with the SLQ What's on Page for further information:
