# Stream Deck Guide

When presenting a workshop which calls for sharing multiple screens and technology peripherals, you can use the Elgato Stream Deck device.

Download the software to set up your device - <https://www.elgato.com/ww/en/s/downloads>

Download the Streamlabs software to control the device - <https://streamlabs.com/>

## Troubleshooting

iPad #9 was tested for set up, installed Stream Link but it didn't work - <https://help.elgato.com/hc/en-us/articles/360027963952-Screen-Link-Setup>
