Young People and Families

Here you'll find resources from State Library's onsite programs for young people, children and families, made available for sharing and activation in your homes and spaces.

Discover workshop plans from our STEAM based 'Story Lab' programs, or check out the incredible content created by young people and families during our holiday festivals.

Inquiries or suggestions as to the content of this page are welcome. Please get in touch with us at ypf@slq.qld.gov.au.

Story Lab Workshops

Here you can find a range of resources that have been designed for facilitators/presenters of workshops young people aged 8-12. These resources have been developed, tested, and documented as part of our popular STEAM based 'Story Lab' workshops taking place onsite during the Winter and Summer school holidays.

[You can find the list of available Story Lab workshop resources here.](#)
