Botley

Botley

Botley introduces coding in an easy, friendly way for children as young as 5 with advanced features that the children can tap into as their skill grows.

Botley does not require a phone or tablet, children interact with the robot using coding cards, a remote control and obstacles, programmed to follow looping commands and use if/then logic.

Recommended Ages	Prep to Year 3 (ages 5 to 8)
Product Cost	$100 per unit
Where to Purchase	Botley can be purchased from Funtastic
