# Leathercraft Leather-Working Techniques

This page is a stub.

It's a collection of information relating to leatherworking.

## Suppliers

Brisbane (recommended by a member): <https://www.crispinleather.com.au/> Seems they get a lot of their stock from: <https://tandyleather.com/>

## Info

Collection of lots of info relating to leathercraft: <https://tandyleather.com/pages/leather-education>

Leather can be laser cut and etched.
