

# **3D INDUSTRIES AUSTRALIA**

## **READ ME FIRST**

If you are reading this then you have been given access to the 3D Industries Shared drive support documents.

You can preview - read and download, but not edit these documents on the shared drive.

You cannot add any documents.

This support drive is being built. Currently it has the Series 6 3D Printer documentation sheets.

Other documentation will be added shortly.

All communications regarding these resources should be directed via email in the first instance to:
