HEY - I'm SO GLAD YOU HAVE THIS PATTERN! USE IT, LEARN FROM IT, MAKE SOMETHING COOL WITH IT, AND SHARE IT WITH OTHERS IN GOOD HEALTH!

- What you need
- felt fabric
 - Lining
 - 21" long continuous zipper with two sliders meeting in the middle
 - 2 of lobster clasps
 - 1 webbing slide
 - 50" of 1" wide webbing
 - Plastic board 5 3/4" x 11 3/4"
 - One pair of metal frame
 - 8" of loop cord
 - 1" wide x 7" long hook & loop

- Preparation
- Cut all parts
 - Attach the bottom to the main body.
 - Attach the pocket to the lining
 - Make two handles, then attach to the main body.
 - Make the shoulder pad and strap.
 - Attach the zip end to both ends of the zipper
 - Attach 2 of 3 1/2" long hook & loops to the front main panel.

- Construction Steps
1. Sew both sides of the main body and bottom
 2. Do the same with the lining
 3. Sandwich the plastic bottom between the outer and the inner bag, then sew both sides together.
 4. Turn the outer bag the right way out.
 5. Drop the lining into the outer bag, and pin the both openings together.
 6. Attach the zipper to the opening with 4 loops
 7. Insert the frame through the side opening.
